Personal Injury Lawyers

When you have been injured, your most pressing concern is to get well and to keep your family secure. At Mackesy Smye we specialize in working with you to allow you to focus on recovering from your injuries.

The law related to personal injury in Ontario is complex. In order to receive appropriate compensation for your injury, whether it arises from a car accident, medical malpractice, product liability or any other situation, our firm's extensive knowledge and experience with the law, insurance company practices and procedure will be of great assistance to you.

When you book a free consultation with our law firm, you will receive detailed and personalized advice from a well-respected lawyer who has the knowledge and experience necessary to handle your claim.
