Gleam Smile Centre opened its doors over 14 years ago, being the first of its kind in Hamilton, a preventive oral health care clinic focusing on healing and maintaining great oral health. Education and individualized care to achieve maximum results to ensure infections and inflammations do not spread throughout the body. Using the latest technology and science evidence-based products, the patients at Gleam experience treatment that is second to none. Treating the most severe forms of gum disease to brightening your smile with safe and effective products, Gleam treats baby teeth to senior teeth and all ages in-between. Prevention of gum disease and tooth decay is what we do best.
