**Registered Physiotherapist with 26
years of experience helping people**

Community-based physiotherapy provided to clients at home, work and in community gyms & pools to optimize client recovery in THEIR OWN environment. We have experience with musculo-skeletal injuries, including motor vehicle accidents and sports injuries, as well as many neurological injuries, including brain injury and stroke. We take the time to fully assess each person, so that a unique and effective treatment plan can be implemented to maximize recovery.

BEO HELPS!

FROM STONEY CREEK FURNITURE

Coming up in mid-November, **Stoney Creek Furniture** will be holding its 3rd “**Wrap It Up**” Event for the **Hamilton FoodShare** on November 15th. As you may recall, this is an evening where we auction off 7 designer Christmas Trees, have plenty of raffles for prizes, and have lots of food and refreshments. Last year’s event allowed us to raise over \$18,000. With FoodShare’s 5 to 1 buying power, that represented \$90,000 worth of food into our communities!

We are hoping to make this year’s event as big as or bigger than last years. If you, or any businesses you may know, would be interested in sponsoring or donating, we would truly appreciate your help. Call or email me for a sponsorship and donation sheet, if you are interested. We’d also love it if you were able to join us for a great and worthwhile evening.
