In 1971, William Markey bought 2 funeral homes in Hamilton from William Dermody. The P.X. Dermody funeral homes were located on East Avenue South and King Street East. When William Markey died in 1978, his wife, Mary, and son, Chris, continued to run both. To better serve the Hamilton community, Mary and Chris built a new funeral home, and in 1987, the Markey-Dermody Funeral Home opened to families.

Our beautiful brick funeral home, built on King Street East in 1987, has a warm, friendly appearance inside and out. We want you to feel as comfortable here as you do in your own home. The funeral home has handicap-accessible parking and a children's play area near the coffee lounge.

Our compassion, dedication and expertise enable us to provide you with an extensive range of funeral and [cremation services](#), but it is the personal touch we offer that is always most appreciated. Our commitment to quality care and excellent service are responsible for the reputation we have earned over the years.

All of our services are designed to give families peace of mind at one of the most challenging times in their lives. Our staff knows just how to create your vision or bring your loved one's final wishes to reality. We offer everything from a [traditional church funeral](#) and cemetery burial to a modern celebration of life with live music, catering and a send-off that reflects the personality and passions of yourself or your loved one.

Working alongside Lanette are Funeral Directors, Ivana Knezovic and Megan Smail along with our full time administrator Joy Burns. We also have many support staff who help us regularly.
