the shuttle.

**SONITROL**®  
VERIFIED ELECTRONIC SECURITY

Sonitrol South Central Ontario Inc. was established in 2004 by Ed Bodbyl and his partner Rob. Their business quickly outgrew their start-up location and they moved in late 2004 to a commercial unit on Appleby line in Burlington. In 2009 Ed acquired the interests of his business partner and became sole owner of the business. It continued to grow to a point where the location on Appleby line was too small. In the summer of 2023 Ed purchased a 5,000 square foot free-standing building at 2419 Industrial Street in Burlington and, after extensive renovations relocated his business and 14 employees to that location in November 2023.
