Waverley Corporate Financial Services is licensed by the Ontario Securities Commission (OSC) as an Exempt Market Dealer and will celebrate its tenth anniversary later this year. I have been licensed with Waverley as a Dealing Representative for over six and a half years.

I help people invest in real estate-based businesses (ex: self storage, multifamily rental portfolios, mortgages) and real estate development projects (condos, town homes, self storage) as an alternative to the Stock Markets. My clients use Cash, RRSPs, TFSAs, LIRAs and RRIFs. The hold terms vary and depending upon the product they can be tax efficient.
