We are one of very few **Canadian Cloud Storage Companies** with operations exclusively in Canada, meaning we can provide you with a safe and secure place to store your data and provide protection under **Canadian Privacy Legislation**.

Our servers are located in **Toronto, Kingston and Montreal**. Mastermind Backup has over **7000 accounts between our two companies** and over **350 resellers** across Canada and the USA.

We have built our reputation on  
**Trust, Reliability and Personal Service.**

With our **99.9 percent** up time and a **10-gig fibre backbone connection**, your backup and restore times are exceptionally fast. We have been in the Data storage business since 2008.

We are now providing a local and cloud **Virtual Disaster Recovery** product that is built into our Enterprise backup software. It is a device that is installed at your location and provides a local backup. In the event of any technical disruptions on your computers or servers, we can have you up and running in minutes.

Thank you for your interest in our premium service. **“Please call us with any Questions”**
